CAREER INCENTIVE PROGRAM

The Career Incentive Program (CIP) is a short-term scheme to address the administration's call to strengthen the country's S&T capability and avert unemployment of graduates of DOST-SEI graduate scholarships and provide them opportunity to work in research activities where they can contribute their knowledge and expertise.

This is open to MS and PhD graduates of the ASTHRDP. Interested scholar-graduates may apply to the CIP and they shall be matched with a DOST agency/research institution where their specialization is needed in research projects/activities.

The CIP Researcher with an MS degree shall assume the position of a MS Graduate Fellow and one with a PhD degree, PhD Graduate Fellow with the corresponding compensation to be provided by the Science Education Institute, subject to availability of funds and government accounting and auditing rules.
