Part-time Scholarship for Science and Mathematics Teachers

The Part-time Scholarship for Science and Mathematics Teachers, a component of the Capacity Building Program in Science and Mathematics Education (CBPSME), is for the pursuance of master's degree in science and mathematics education. It is open to male and female teachers who are currently employed in the secondary schools and have teaching experience of less than five (5) years.

Objectives

The program aims to:

- make graduate education more accessible to talented S&M teachers who are financially constrained to pursue graduate studies;
- upgrade the teaching of science and mathematics in the secondary level through teacher education programs; and
- accelerate the development of critical mass of experts in the fields of science and mathematics education.

Type of Scholarship

- Master's in science and mathematics education programs
- Part time, 4 years

Study Placement

CBPSME-National Consortium in Graduate Science and Mathematics Education (NCGSME)

- Ateneo De Manila University
- Bicol University
- Cebu Normal University
